

## ***Akashic Records & Halls of Amenti Training***

The [Akashic Records](#) are a library in the fifth dimension that holds the thoughts, emotions, experiences of everything on the planet from the beginning of time. During this powerful class you will be taught how to access yours and others records. Because the records contain information about your soul's journey, accessing them gives you a bigger picture and idea of why, what, and how something is happening. You can ask any question while you're in the records.

Until October 2010 the Halls of Amenti could not be opened by the masses. Fortunately for us, we are now allowed to experience the wisdom of the halls. The Halls exist in the center of the earth and hold Ascended Masters and Energy beings that teach the mysteries of time, space, alchemy and the nine dimensions. Some of the things they teach are Magnetism-the ability to channel energy through the body and heal, Hycrokinesis-ability to control or manipulate water, Cryokinesis - the ability to control or manipulate temperature, Photokinesis- the ability to manipulate light and become invisible, Bilocation -the ability to be in more than one location at the same time, Remote Viewing - the ability to view in 3d persons, places, things and events in the past, present and future, Telepathy- the ability to communicate with other people or other conscious life-forms through your thoughts, Levitation-the ability to defy gravity and float in the air. Your ability to put aside your thinking mind and open up your higher self will determine what and how much you learn from the Masters.

To enter the Halls you need to have a passcode, which is your vibration. The first three weeks of this class you will be increasing your vibration by entering the Records and getting to know yourself. If needed you will be doing clearing and healing so you can enter the Halls of Amenti. The next three weeks you will be entering the Halls of Amenti and working with at least one ascended master of the Universe. **Please note that this is a very rare experience as only a few could enter the Halls!**
